## Interest

Credit interest is calculated daily on the cleared credit balance on your account and paid monthly.

Debit interest is calculated daily on any outstanding overdrawn balance on your account and is charged monthly in arrears.

## Using a Debit Card abroad

When you use a Debit Card abroad, this statement will show where the transaction took place, the amount spent in local currency and converted into GBP.

**Exchange Rate:** Unless you have agreed a different rate (for example, using one of our self-service machines) the exchange rate that applies to any non-GBP Debit Card payments is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

Details of the current VISA Payment Scheme Exchange Rate can be obtained from [www.visaeurope.com/en/cardholders/exchange\\_rates.aspx](http://www.visaeurope.com/en/cardholders/exchange_rates.aspx) or by calling us.

**Fee for non-GBP transactions:** We charge a fee of 2.75% of the amount of the transaction.

**Additional fee for non-GBP cash machine withdrawals:** If you withdraw cash in a foreign currency, we will charge a fee of 1.5% (minimum £1.75) in addition to the fee for non-GBP transactions.

We will make the conversion and deduct any fees from your account once we receive details of the payment from VISA. We will do this at the latest on the next working day.

Some cash machine operators may also deduct a charge for withdrawals from their cash machines. If they do, they will show you the charge on screen.
